

Herd Share Sales Agreement

Bridgeport Farms (Seller) and _____(Buyer) agree as following.

1. Seller agrees to sell ___ herd share(s) to Buyer. One herd share is defined as 1/8th the value of one Nigerian Dwarf Dairy Goat. Buyer is not assigned to a particular goat in the Bridgeport Farms herd.
2. One herd share price is \$60. Each share price entitles the Buyer to 1/8th of the by products, in the form of milk, that is produced by the goat. The buyer will be responsible for picking up the milk _____ times per month. Seller will meet Buyer at a pre-planned location.
3. Buyer, upon payment of _____ becomes part owner of Bridgeport Farms herd.
4. Buyer agrees to pay for the care, maintenance, boarding, feeding and labor of his/her goat(s) for the complete duration of his/her ownership in Bridgeport Farms. Monthly maintenance fee is \$60/herd share. Fee is due monthly.
5. Buyer may sell back herd share to Seller at any time and receive the value of herd shares purchased. Seller may buy back herd share at any time and will refund herd share purchase price.
6. Buyer is aware of the risks associated with the consumption of fresh, unprocessed milk. Buyer agrees that he/she is personally assuming the liability for consumption of fresh, unprocessed milk and will educate Buyer's family members who may also consume the milk on a regular basis. This relieves Seller of all responsibility.
7. If Buyer believes he/she or a family member contracts an illness that could possibly originate from the milk, the Buyer will contact Seller immediately so that appropriate action can be taken.
8. Buyer understands that Seller takes cleanliness extremely seriously and has appropriate processes in place regarding safe milk handling.
9. Buyer understands that the sale is raw milk is illegal. Buyer warrants that all raw milk products obtained from Seller will be used for personal use and for no other purpose.
10. This contract will be enforced in accordance with the laws of the State of Colorado.
